America, birds and eggs from Arctic, 335; on the Tertiary fossils of the birds of North, 343; taxonomy of Pygopodes of North, 462; Sporting Sketches in South, 453.
Ammodramus, a new species of, 340.
Ampelis garrulus in Holland, 346.
Anatomy of Birds, 167.
Andaman Islands, edible-birds'-nest Swifts in the, 577.
Andes, travels amongst the Great, 464.
'Annals of Scottish Natural History,' 348.
Apalis pulchra, figured, plate iv.
Aplin, O. V., note on his intended expedition to Uruguay, 350; departure for Uruguay of, 580.
Arboricola, the genus, 387; A. gingica, figured, plate ix.
Arctic and Sub-Arctic Water-birds, Osteology of, 343.
Argentine Republic, birds of Cordoba, 178; the birds of the Estancia Esparquilla, 193.
Asia, the Sea-Eagles of N.E., 349.
Australia, nests and eggs of birds of, 337; bird-life of Adèle Island, 254.
Australian Museum, catalogue of Psittaci in the, 174.
Bahamas, avifauna of the, 331.
Baker, E. C. S., description of a new species of Wren from North-east India, together with an account of its nest and eggs, 62.
Baldamus, A. C. E., on Cuckoos and other parasitic birds, noticed, 559.
Bambusicola, the genus, 387.
Barboza du Bocage, J. V., the birds of the Island of St. Thomas, noticed, 328.
Barnes, H. E., nesting in Western India, noticed, 166.
Bavaria, birds of, 335.
Beddard, F. E., Animal Coloration, noticed, 560.
Bendire, C., directions for collecting eggs and nests, noticed, 329.
Berlepsch, H. v., on the birds of Curaçao, noticed, 447.
Bill, malformations of the, 338.
'Biologia Centrali-Americana,' 168, 451, 565.
Blaauw, F. E., letter on the occurrence of Ampelis garrulus in Holland, 346; letter on the breeding-places of the Spoonbill in Holland, 468.
Blakiston, T. W., death of, 190.
Blasius, R., on birds at the German Light-stations, noticed, 329; on the birds of Bavaria, 335.
Bocage, *see* Barboza du Bocage.
Bonvalot, G., Journey through Tibet, noticed, 448.

- Borneo, birds from Mount Dulit, 322, 430.
- Bosnia, the birds in the Museum of Sarajevo, 338.
- Boucard, A., 'The Humming-bird,' 349.
- Bower-birds, monograph of the, 340; cubital coverts in the, 463.
- Brazil, H. H. Smith's birds from Chapado, 165; birds observed at Santarem, 175.
- Brehm, A., proposed memorial to, 352.
- Brehm, C. L., proposed memorial to, 352.
- British Birds, the Stafford collection of, 577; Irby's Key List of, 567.
- British Museum, the Bird-gallery in the, 185; Catalogue of Birds in the, *Psittaci*, 458; *Picariæ*, 570, 572.
- British Ornithologists' Union, Anniversary Meeting of, 474.
- Bronn's 'Thier-Reich,' noticed, 562.
- Brooks, W. E., a few remarks on Mr. Oates's 'Birds of British India,' 59.
- Bucerotes in the British Museum, 572.
- Buckley, T. E., and Harvie-Brown, J. A., Vertebrate Fauna of the Orkney Islands, noticed, 166.
- Bugotu, birds from, 293.
- Buller, W. L., on the Wandering Albatross, and description of a new species, 330; on rare birds of New Zealand, noticed, 330.
- Bund, J. W. W., list of the birds of Worcestershire, noticed, 330.
- Burneister, H. C. C., death of, 581.
- Bustard, occurrence in Wilts of the Great, 574.
- Bustard-Quail, nesting-habits of the, 467.
- Butler, A. W., 'Birds of Indiana,' noticed, 331; the range and habits of the Carolina Parakeet, noticed, 562.
- Büttikofer, J., on birds from Flores, Samoa, and Timor, noticed, 331.
- Cabanis, J., retirement from the Berlin Museum of, 581.
- California, a new *Ammodramus* from, 340.
- Calliste margarethæ, note on, 351.
- Calypomena hosii, figured, plate x.
- Campbell, C. W., a list of Birds collected in Corea, 230.
- Canary Islands, letter on the birds of the, 181.
- Canterbury, Avian remains from Timaru, 564.
- Cape Horn, Scientific Mission to, 173.
- Capellini, G., on an egg of *Æpyornis*, noticed, 563.
- Caprimulgidæ, notes on the, 274.
- Caprimulgus eximius, figured, plate vi.
- Carolina Parakeet, range and habits of, 562.
- Celeus kerri, figured, plate iii.
- Chamaea, osteology of, 171.
- Chapado, H. H. Smith's birds from, 165.
- Chapman, F. M., birds observed at Santarem, Brazil, noticed, 175; the avifauna of the Bahamas, noticed, 331; the colour-pattern of the tail-coverts in *Colaptes auratus*, noticed, 332; on birds of Corpus Christi, Texas, noticed, 332; on the Grakles of the subgenus *Quiscalus*, noticed, 563.
- Cheeseman, T. F., the birds of the Kermadec Islands, noticed, 333.
- Cherrie, G. K., on new birds from Costa Rica, noticed, 333; notes on Cost Rican Birds, noticed, 334.
- China, on the birds of, 455; birds of Swatow and Foochow, 400, 477; to the Snows of Tibet through, 456.
- Clarke, W. E., letter on *Grus leucogeranus* in the Outer Hebrides, 181; on the Rudimentary Hallux of the Kittiwake (*Rissa tridactyla*), 442; note on the *Rubecola tyleri* of Jameson, 558; letter on an error in his paper on the hallux of the Kittiwake, 575.
- Classification of birds, 167; of the Pigeons, 177.
- Colaptes auratus*, the colour-pattern of the tail-coverts in, 332.
- Colius*, note on, 473.
- Collecting, directions for collecting birds, 175; birds' eggs and nests, 329.
- College of Surgeons, Catalogue of the Osteological Specimens of Birds in the Royal, 461.
- Coloration of Animals, 560.
- Coraciæ in the British Museum, 570, 572.
- Cordoba, birds of, 178.
- Corea, birds collected in, 230.
- Corpus Christi, birds of, 332.
- Costa Rica, new birds from, 333; notes on birds from, 334, 339; a new Goat-sucker from, 339.
- Coverts (Cubital) in the Paradise- and Bower-birds, 463.
- Crommelin, *see* Wickevoort-Crommelin.
- Crop of *Opisthocomus cristatus*, 565.
- Cubital Coverts in the Paradise- and Bower-birds, 463.
- Cuckoo, on the parasitic habits of Cuckoos, 559; and Swallow reared in the same nest, 524.
- Curaçao, birds of, 447.

- Dalglish, J. J., notes on the Petrels of Madeira, noticed, 564.
- Davison, W. R., Description of some new Species of Birds from the Eastern Coast of the Malayan Peninsula, 99.
- Delagoa Bay, *Hirundo rustica* at, 470.
- Delaware Valley Ornithological Club's 'Proceedings,' noticed, 448.
- D'Entrecasteaux Island, Loria's birds from, 176.
- Deyrolle, E., Birds of France, noticed, 449.
- Dippers, Palearctic White-breasted, 380.
- Distant, W. L., 'Naturalist in the Transvaal,' noticed, 449.
- Dresser, H. E., remarks on *Lanius excubitor* and its allies, 374; remarks on *Lanius lahtora* and its allies, 288; remarks on the Palearctic White-breasted Dippers, 380.
- Dryodromas *jacksoni*, figured, plate iv.
- Dubois, A., Classification of Birds, noticed, 167.
- Dulit (Mount), Hose's new birds from, 322; a collection of birds from, 430.
- Eagles, N.E. Asian Sea-, 349.
- Economic Importance of Birds in India, 571.
- Edible-birds'-nest Swifts in the Andaman Islands, 577.
- Edoliosoma *tenuirostre*, nidification of, 455.
- Egg of *Æpyornis*, 563.
- Elachura *haplonota* and *E. punctata*, figured, plate ii.
- Elliot, D. G., Inheritance of Acquired Characters, noticed, 564; new edition of the 'Monograph of the Pittidæ,' 580.
- Egano, Modigliani's birds from, 460.
- Equator, Travels amongst the Great Andes of the, 464.
